Good Evening,

The West Shore Chapter of the Pennsylvania Sports Hall of Fame welcomes our 2016 inductees, their families and friends to the 32nd annual induction banquet.

Our primary purpose is to recognize individuals of "yesterday, today, and tomorrow" who have brought lasting fame to the Keystone State. This has been done through their athletic achievements, as a participant, coach, official, or associate.

This evening we are pleased to honor nine individuals who have brought acclaim to themselves, their families, and their communities. They have distinguished themselves as leaders and winners on and off the fields of athletics. These athletes and coaches have accomplished olympic, all-american and/or professional status, as well as having molded some of our states finest athletes.

The West Shore Chapter points with pride when we recognize state champion individuals and teams from the twelve area high schools within our region. This event is scheduled for July when we host a scholarship and state championship recognition dinner. Along with recognizing the state champions, we also award several scholarships to deserving senior athletes who demonstrate the very best characteristics of academics, athletics, and community service.

Our chapter membership is open to all sports minded people. We urge you to continue your support through membership and attendance at our key events.

We thank you for your continued support and encourage you to become an active part of this chapter of the Pennsylvania Sports Hall of Fame. Membership is open to all.

WEST SHORE CHAPTER PENNSYLVANIA SPORTS HALL OF FAME

Our Primary Purpose

Twenty-Nine chapters across the Commonwealth of Pennsylvania recognize athletic exploits of men and women who rise to the "Hall of Fame" stature.

Our primary purpose is to recognize area people who have brought lasting fame to the Keystone State through their athletic achievements as a participant, coach, official or contributor. These individuals may receive recognition after a prescribed length of time or posthumously. This recognition takes place at the Induction Banquet in the Spring.

In addition, we honor PIAA State Champions in our local high schools. At the scholarship dinner in July we also award two \$1000 scholarships and four \$500 scholarships to deserving high school seniors. We invite each high school to nominate a male and female athlete for consideration for the scholarship and invite all nominees to the dinner.

"A Hall of Fame is a lot more than an overblown closet for some old relics. It is intended to be a repository for all things great about a sport...Its Moments...Its Men and Women...Its Methods! Most of all, it is supposed to be about Hall of Famers who define the quality of athletics, who lead the right kind of life, a life of integrity for which there is no compromise."

Paul Boltz

Chapter membership is 300 and growing. Membership in the Pennsylvania Sports Hall of Fame is open to all sports-minded individuals and we urge all to join us for a nominal fee of \$20 per year. Life memberships are available for \$100. For information on joining, contact Jim Sauvé at P.O. Box 1155, Camp Hill, PA 17011 or an Executive Board Member.

Rita

Balaban

Rita Balaban is a 1986 graduate of Trinity high School, a 1990 graduate of Saint Joseph's University (B.A. Economics) and a 1999 graduate of the University of Pittsburgh (Ph.D. Economics). Rita, who was raised in Camp Hill, is the youngest of Thomas (late) and Margaret (late) Balaban's thirteen children. As a little girl she was usually left on the sidelines when her siblings were choosing teams, but ultimately they became her biggest fans. Rita is quick to credit her family, especially her mother, for creating an environment that encouraged her to work hard on-and-off the court.

At Trinity, Rita was a two-sport athlete, a two-time class president, and a member of the National Honor Society. Best known for her accomplishments on the basketball court, Rita owes her development and success on the court to outstanding coaches and teammates. Notably, she was coached by Pennsylvania Sports Hall of Fame member Harry DeFrank from the time she started playing basketball in 6th grade at Good Shepherd Catholic School until she graduated from Trinity High School. While at Trinity, she was also coached by another one of this year's inductees, Jeff Thompson.

Under their guidance, Rita received numerous recognitions, but most notably she was a three-time Patriot News Big 15 selection, a two-time first team All-State selection and was named to the Converse All-American basketball team in her senior year. At Trinity she was a four-year starter where she was a part of three Mid Penn league championships, three district championships (one A and two AA), and a member and co-captain of Trinity's

1986 PIAA Class AA championship team. She remains a top of the Trinity girls' record books with over 1000 rebounds and 1700 points and was inducted into Trinity High School's inaugural Sports Hall of Fame class in January 2015.

Upon graduation from Trinity, Rita accepted a full basketball scholarship to Providence College where she played one year before transferring to Saint Joseph's University where she played under Women's Basketball Hall of Fame Coach, Jim Foster. While at St. Joe's, Rita was a three year starter and played in two NCAA women's basketball tournaments and was named to the Philadelphia Big 5 All-Academic Team as a senior. During her final year of eligibility - the 1991 season - she took graduate business courses and a year later she began her PH.D. studies in economics at the University of Pittsburgh.

Today, Rita lives in Durham, NC and is senior Lecturer in the Department of Economics at the University of North Carolina at Chapel Hill where she has taught nearly 8,000 students in 10 years. In 2015 she received the prestigious Tanner Award for Excellence in Undergraduate Education at UNC-Chapel Hill and was recognized at halftime of a men's basketball game at the Dean E. Smith Center (a.k.a. Dean Dome). Prior to her current position, she taught at the College of Charleston (Charleston, SC) and Samford University (Birmingham, AL). She is honored to be inducted into the West Shore Chapter of the Pennsylvania Sports Hall of Fame, appreciates the recognition by the committee and is eternally grateful to her family, friends, teammates and coaches for their unwavering support.

Nick

Nicholas Berra is a 1987 graduate of Cumberland Valley High School. A two-year letterman on the CV football team, he was a member of the 1984 District 3 championship team as well as the 1985 runner-up squad. He was named to the Patriot News Mid Penn All-Conference football team his senior year as a defensive back, and as a quarterback and tailback he led the team in rushing and scoring. He was inducted into the CV Football Hall of Fame in 2002.

On the track, Nick was a four-year letterman for Coach Harry Chapman. His honors include 9 District medals including 4 titles. He was a two-time district champion in the 400m, and won the 800m in 1987 in a district record time. In the PIAA state championships Nick won 7 medals, including anchoring the Cumberland Valley 4x800m relay to back-to-back golds in 1986 and 1987. He was named to the All-State Track and Field team in both his junior and senior seasons, and held the Cumberland Valley school record in both the 400 and 800 meters for almost 20 years.

After graduation Nick attended the United States Naval Academy, where he ran both indoor and outdoor track. He was a 7-time varsity letter winner, winning gold in the Heptagonal Conference Championships 3 times and qualifying for the IC4A

championships in both his sophomore and junior seasons. Most importantly, he was a member of 5 Army-dominating squads.

He graduated in 1991 and was selected for the aviation program. He was designated a Naval Aviator in 1994, and served with distinction for almost 11 years flying on and off aircraft carriers. After leaving active duty he transitioned to the Naval Reserve, where he continued flying until his retirement in 2011.

After returning to central Pennsylvania in 2005, Nick returned to Cumberland Valley High School to volunteer with the track and cross country programs under the direction of head coach Bill Bixler. Upon turning 40 in 2009, with the encouragement of Coach Bixler, he began a second athletic career in masters track and field. Over the next 6 years Nick won 11 national titles, 4 world championships, and set the 45-49 year old world record in the indoor 800m (1:56.10) that still stands. He was also the anchor leg on two world-record relays, and was named the USATF Masters Athlete of the Year in both 2010 and 2014.

Nick currently lives in Enola PA and flies for FedEx Express. He is married to the former Melanie Cooper of San Jose, CA. They have two daughters – Lindsay, 16, a member of the Cumberland Valley swim team, and Kate, 11, a fifth-grade three sport ace.

Glossner

Joda Glossner graduated from Susquenita High School in 1991 where she was the valedictorian, National Honor Society president, and graduate of the Gifted and Talented program. Joda was invited to participate in Girls' State and was awarded a Leadership Scholarship to attend Lebanon Valley College (LVC).

A tri-sport athlete in high school, Joda continued to play all three at LVC, earning 12 varsity letters, National, Regional, and Academic All-America honors. She captained and was selected as the MVP for all three teams. From 1991 to 1993, the field hockey team advanced to the NCAA tournament, and in 1991 and 1992 won the Middle Atlantic Conference title. In 1994, Joda was selected to the Gallaudet All-Tournament team in basketball.

During her years at LVC, Joda served as the Sports Editor for the college newspaper and participated in various clubs and organizations. She was a Leadership Mentor to high school students, tutor, community service volunteer, and English department student assistant. Joda served as a class officer, was nominated for a Truman Scholarship, and coached in the Olympic Developmental program for field hockey as well as at numerous basketball and field hockey camps where she also served as an assistant director.

Joda graduated magna cum laude with a degree in English in 1995 and College and Department Honors. She was awarded the Senior Prize in English and won the Kappa Lambda Nu Outstanding Female Athlete Award as well as the

Phi Delta Kappa Outstanding Student Teacher Honorable Mention award.

Nominated by Kathleen Tierney, her college field hockey coach, Joda was LVC's first recipient of the NCAA Postgraduate Scholarship and in 2008 alongside Kathy was inducted into LVC's Athletic Hall of Fame. After college, Joda coached JV softball for Lebanon High School

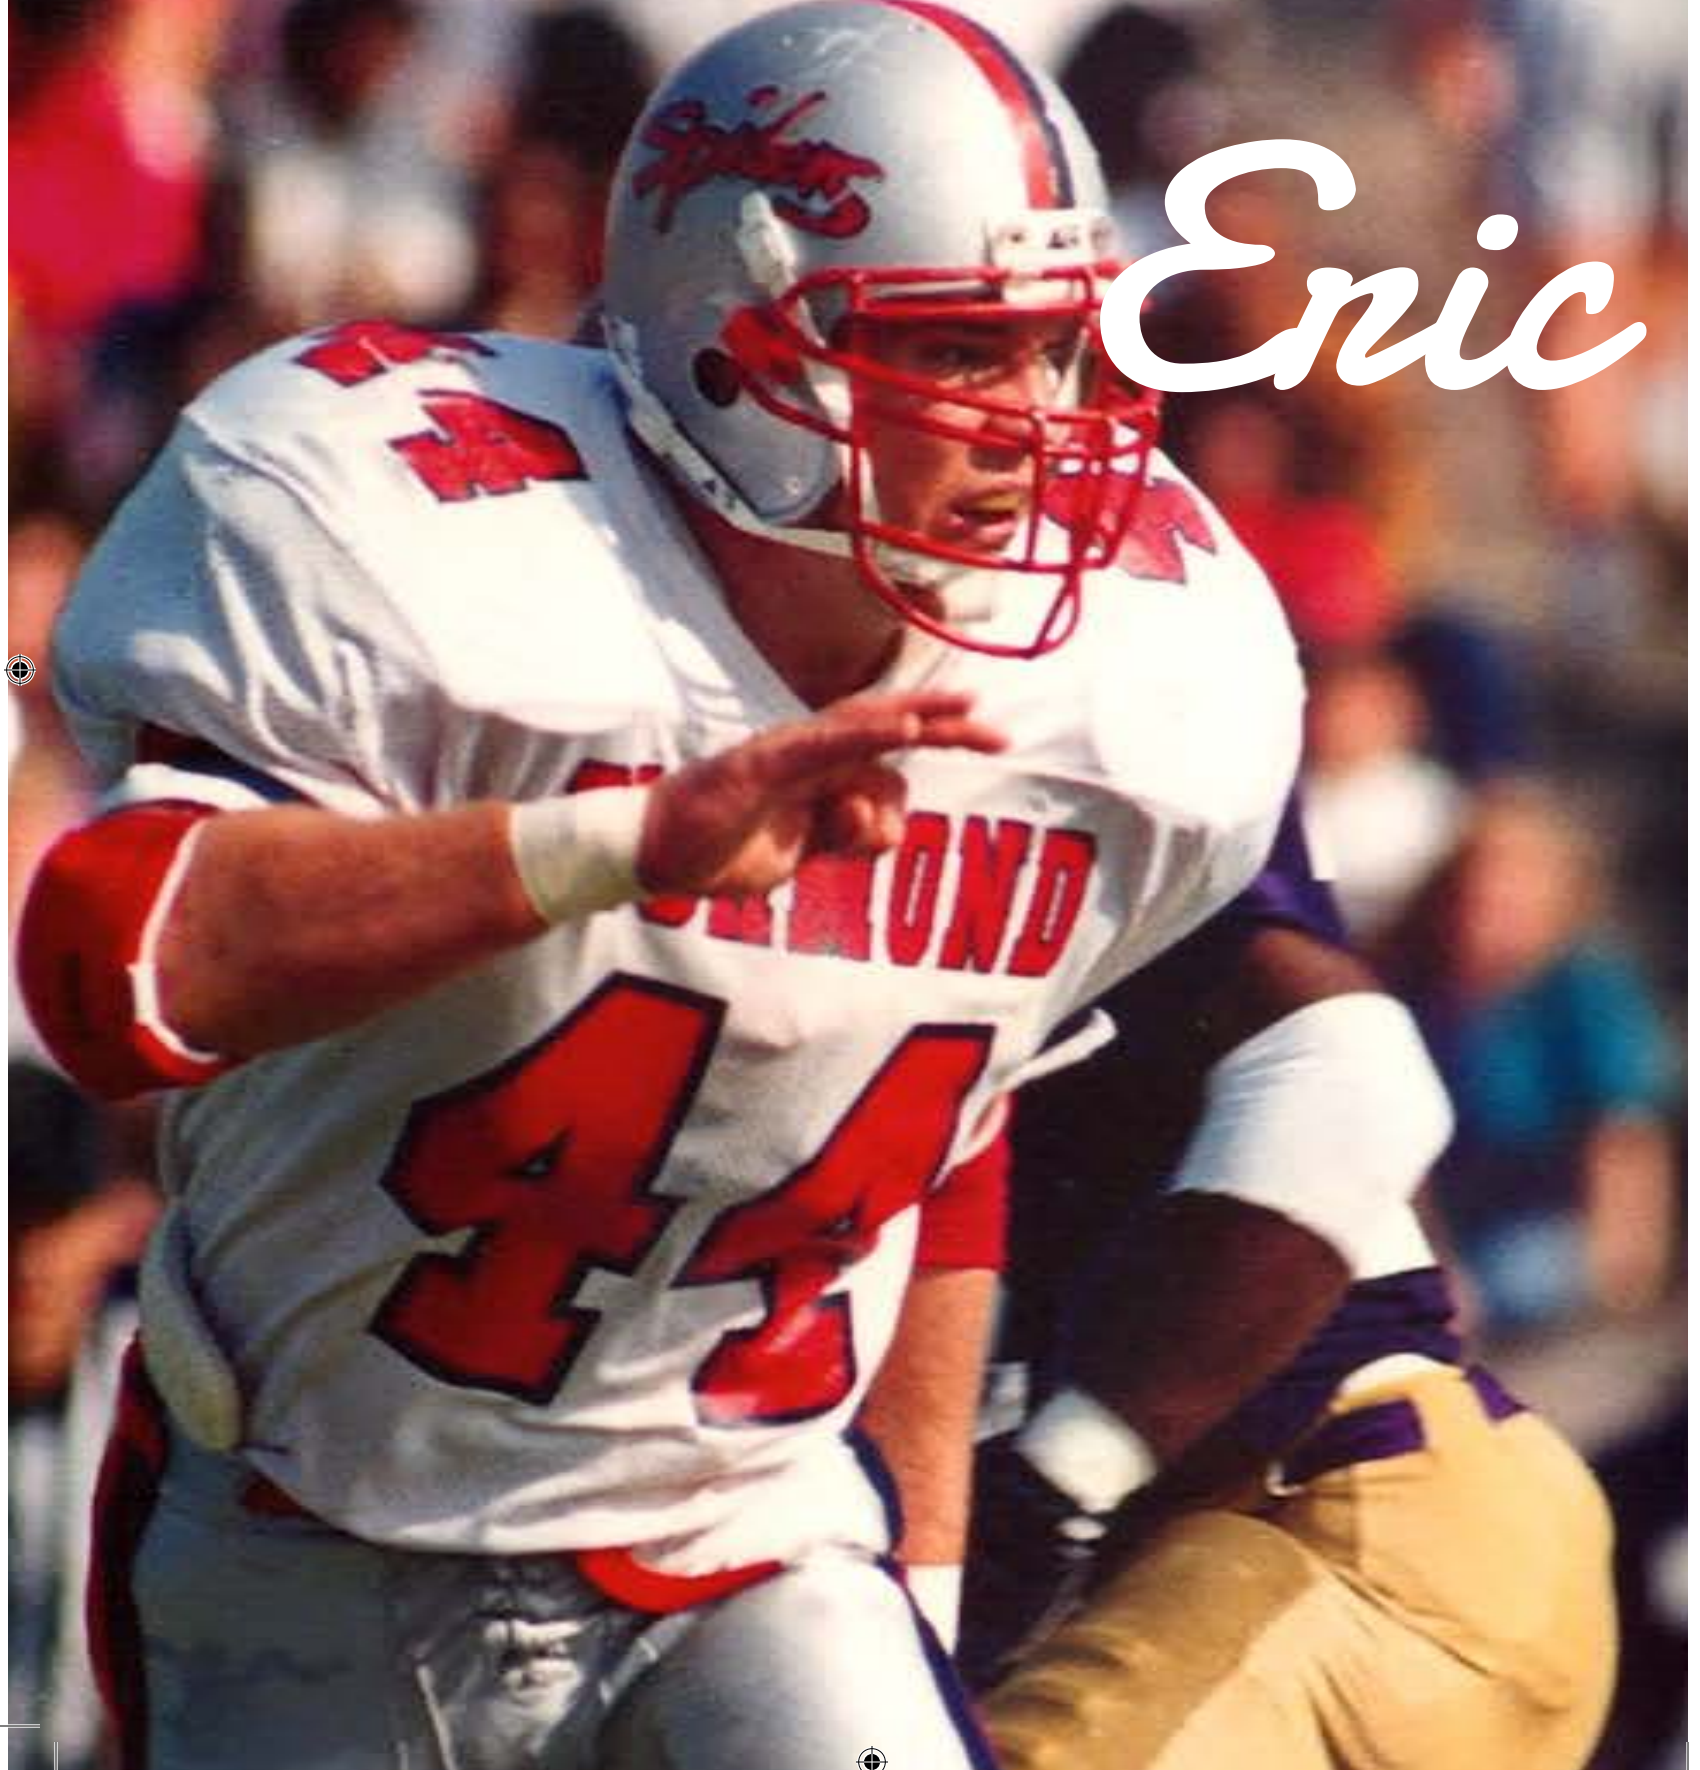

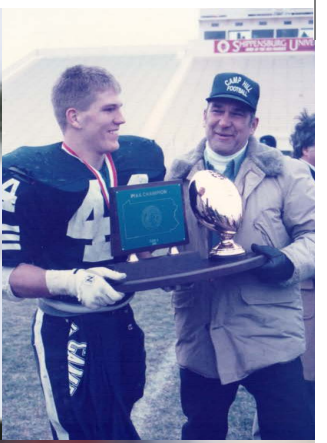

and assisted Kathy Tierney at LVC when the team made its first appearance in the NCAA Final Four in 1996.

In 1997 and 1998, she played at the National Field Hockey Festival. In 1997, Joda played in the National Indoor Field Hockey Tournament, and in 1996 her team was runners up in the Lititz Indoor Field Hockey League. Joda was a bronze (1995) and silver (1996) medalist in the Pennsylvania State Keystone Games in the Capital Region Open Field Hockey division, scoring a hat trick in the 1996 championship game.

Joda is a contributing author on the 2007 Archives of Physical Medicine and Rehabilitation paper, "Is Stair Climb Power a Clinically Relevant Measure of Leg Power Impairments in At-Risk Older Adults?"

Joda returned to Susquenita in 1998 to teach English and coach 7th grade girls' basketball and varsity field hockey when the team won the Cedar Cliff Tournament. Joda was also recognized as Teacher of the Month.

She lives in Andover, MA with her two children whom she coaches in Little League. In 2015, Joda won second and third place ribbons in the Eastern US Dancesport Championships in the smooth and Latin categories. She runs road races, plays golf and tennis, plays in field hockey, baseball, and basketball leagues, and has twice attended the Red Sox Fantasy Camp where in 2015 she was a game MVP, and in 2016 where she was a game MVP, Golden Glove nominee, and Yaz Division champion. Also in 2016 she attended the inaugural Women's Red Sox Fantasy Camp where her team was runner up for the camp championship and she was a Golden Glove nominee. Her name appears on a bat that all campers and coaches signed and will be on display at Fenway Park until it's relocated to a soon-to-be-constructed women's baseball museum.

Eric

Johnson

Eric Johnson is a 1989 graduate of Camp Hill High School and a 1993 graduate of the University of Richmond with a B.S. in Business Administration, concentrating in Management and Marketing. Eric remained in the Richmond VA area following an outstanding career as a linebacker for the University of Richmond Spiders; however, his athletic roots were born in South Central PA.

At Camp Hill High School, Eric was a three-sport athlete and honor student earning 11 varsity letters. As a four-year starter in football, Eric helped lead the Lions to a 41-7-1 record, winning 3 District 3 titles, and was captain of the 1988 PIAA State Championship team. Eric excelled on both sides of the ball, rushing for 1,641 yards, scoring 21 touchdowns, and registering 134 tackles his senior year. Throughout his high school career, he was fortunate to be recognized with numerous awards, including: receiving a full athletic scholarship to the University of Richmond; being named to the Big 33 team; 1988 AP Small School Player of the Year; 1988 AP 1st team All-State; 1988 Central PA Defensive Player of the Year; Multiple All-Conference and All-District awards. The Lions might have lost a few games over his 4 years, but they were never outcoached by the leaders of the Camp Hill Lions, Steve Stoner, Tom Walton, Steve and Rick Shover.

In addition to Eric's football career, he also excelled in wrestling, finishing his career at Camp Hill High School with the most wins in school history (110-7-1). He was a four-year captain, chosen 4 times for All-Conference, 2 time Big 12/13 team member, 3-time sectional champion, 2 time district champion, advancing to the PA state tournament 3 times, placing 2 times, and finishing 4th his senior year. Although his last match was in high school, Eric credits his work ethic, commitment, toughness, and right mind-set instilled on him by his coaches, George Yeager and Joe Lazenby, for much of his success in all athletics, college, and life.

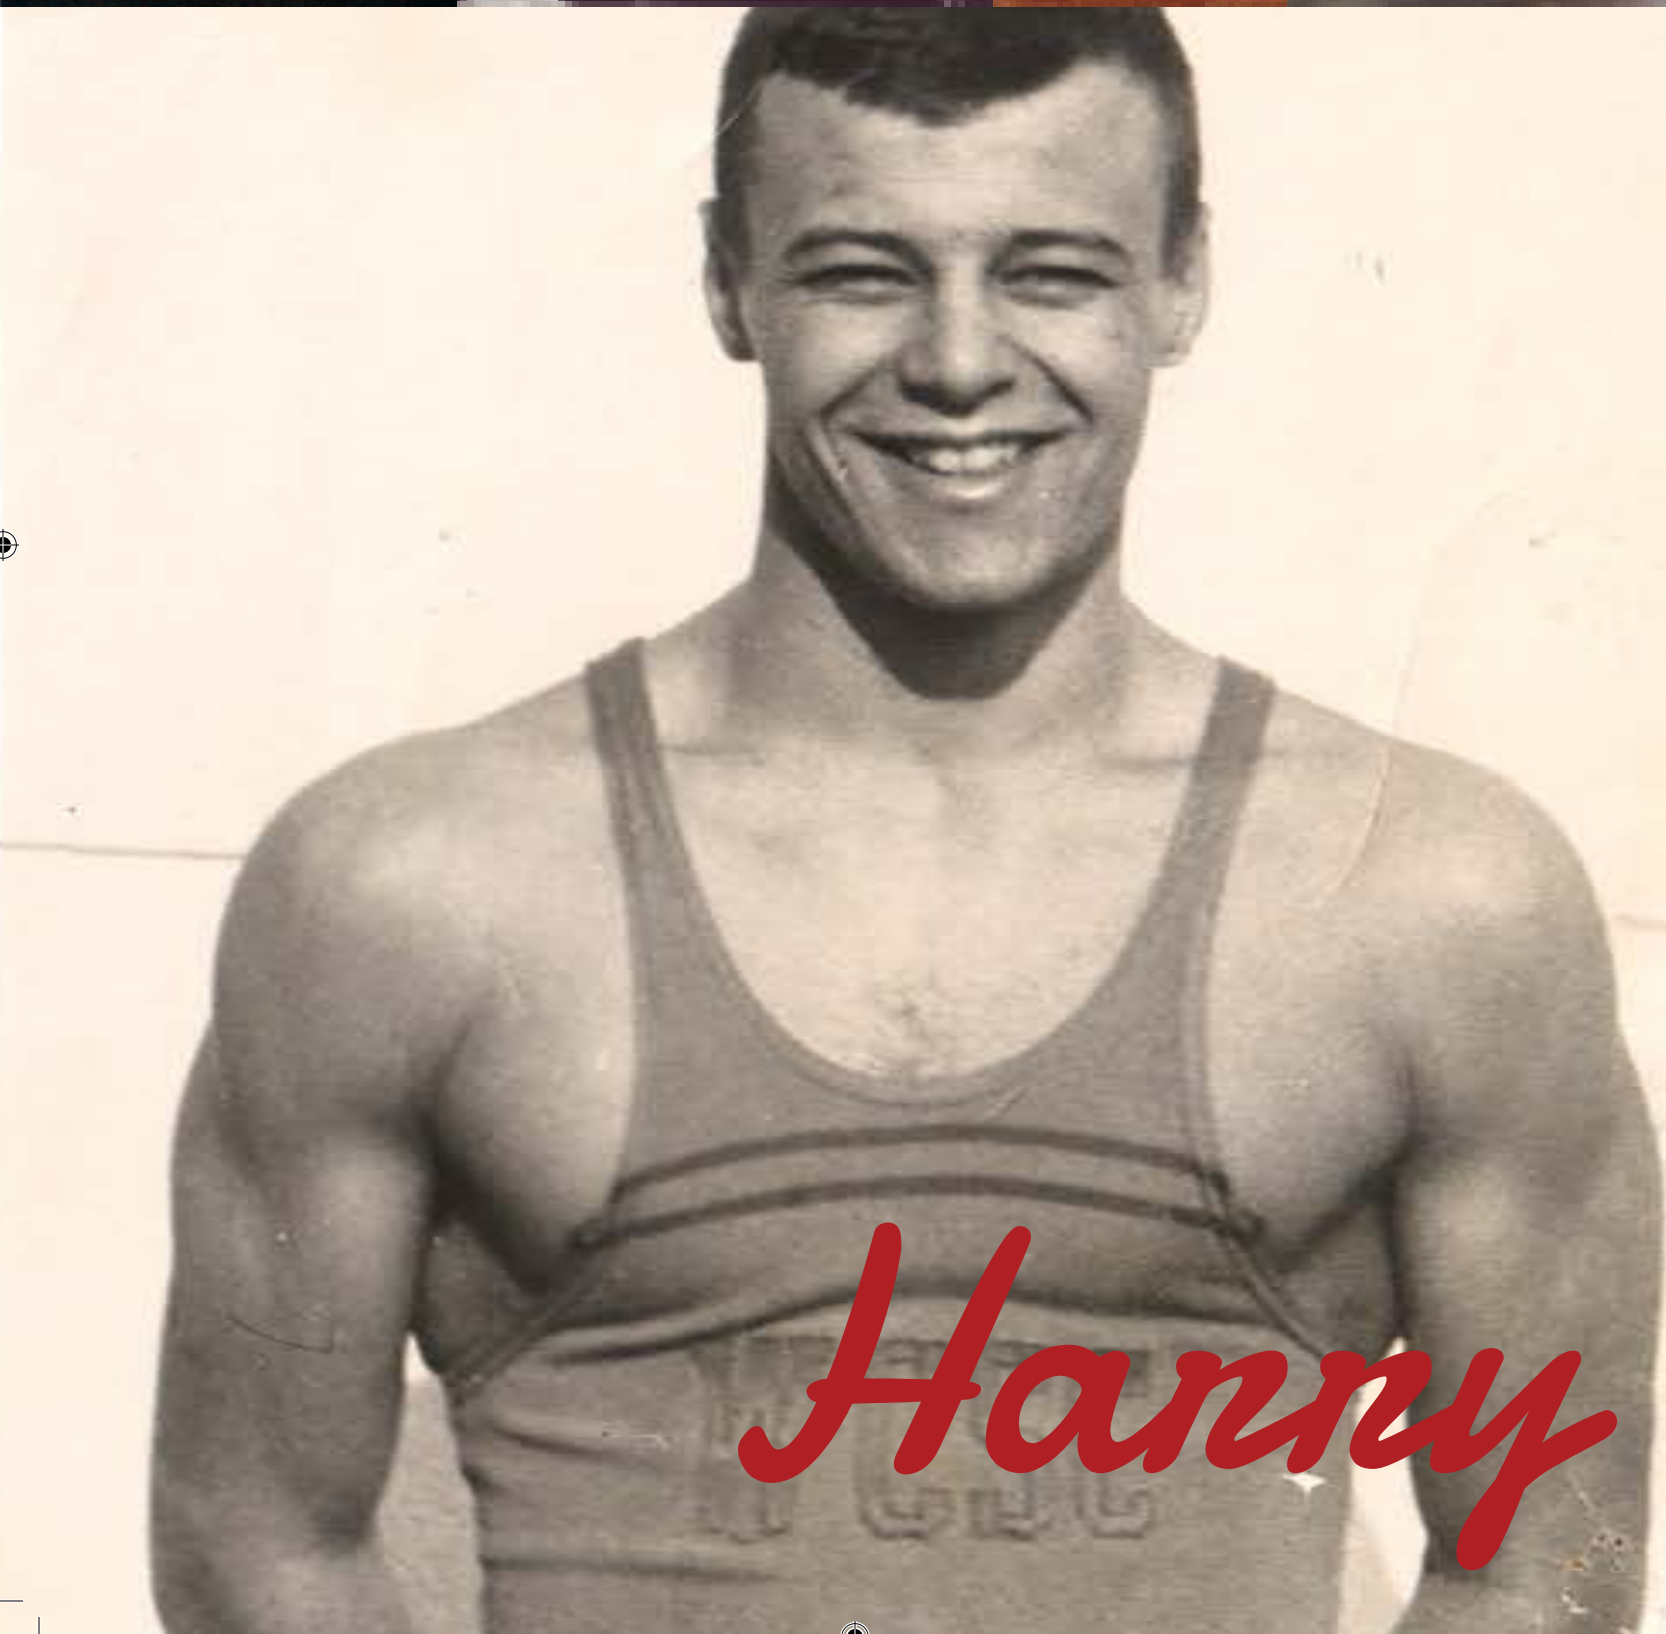

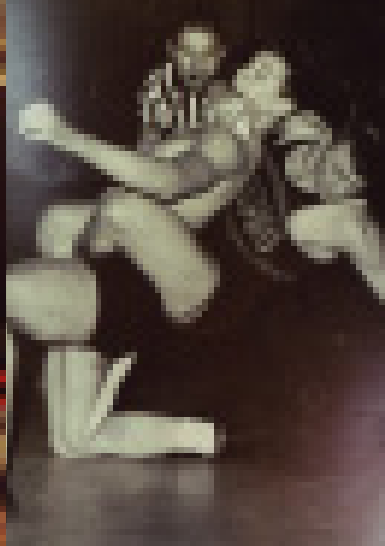

As a freshman at the University of Richmond, Eric started at the position of Inside Linebacker and went on to have a distinguished

college career. A four-year starter and captain his senior year, Eric helped lead the Spiders football program to a 7-4 record in 1992, which turned things around and laid the foundation for many great players to take Richmond to the next level. Eric still holds the record for the most career tackles at Richmond (648), which helped him be recognized with numerous awards, including: 3 Time All American (Senior Year 1992 – First Team Walter Camp and Associated Press); 3 Time All Yankee Conference (leading the league in tackles in 1990, 91, and 92); 2 Time All State Linebacker (Virginia); 1993 University of Richmond Spider Club Male Athlete of the Year; 1993 Humbert Award Winner for athletic, leadership, and scholarly attributes; Free agent try-out with the Atlanta Falcons.

Upon completion of Eric's career at the University of Richmond, he was recognized on a few prestigious teams: 50th Anniversary All-Yankee Conference Football Team and a member of the All UR Stadium Team. Eric's final and most humbling award was his induction into the University of Richmond Athletics Hall of Fame (2006-07), placing him beside some truly amazing athletes.

Success comes as a team, and Eric is very thankful to his parents, brothers, family, coaches, teammates, and friends for always being there to support him. The success and connections he made in athletics has carried over to his professional world, where he continues to be an Agile Coach for a technology company in Richmond. Eric and his wife, Jennifer, have two amazing daughters, Ellie (10) and Avery (7), who keep him busy with new sports and adventures. And, without skipping a beat, Eric has now turned his attention to staying healthy and competitive, by having run a few half marathons, and now training to run his first full marathon in early 2016.

Eric would like to extend his heartfelt gratitude to the West Shore Sports Hall of Fame for honoring him, and allowing him to relive some of his most favorite memories!

Harry

Born and bred in Mechanicsburg Harry F Johnson was to begin his athletic career as an 88 pound 9th grade wrestler under the direction of Head Coach Earl Hoffman. Looking at him today who would have thought. As a freshman he won the Carlisle Novice Tournament. He was on the varsity wrestling team for 3 years, and was a member of the team during their 48 straight win reign, the 2nd longest winning streak in PA. As a varsity wrestler he was the Boiling Springs Christmas Tournament Champion at 120 pounds. He was a 3 time sectional champion and he was a District Champion his senior year. Harry not only a wrestler in high school but he was linebacker in football and a pole vaulter for the track team where he earned a total of 7 varsity letters.

After graduation in 1962 Harry attended West Chester State College where graduated with a Bachelor's Degree in Health and Physical Education and was a 4 year wrestler for the Golden Rams. As a freshman he was runner-up in the Navel Academy Tournament and won the West Point Academy Tournament. As a junior he was 3rd in the Middle Atlantic Tournament and as a senior he won the Towson Tournament and was runner up in Middle Atlantic Tournament and the Wilkes Tournament.

His professional career began with his hiring by the West Shore School District to teach Health and Physical Education at Red Land High School and he did so for 34.5 years. While at Red Land, he was JV Baseball coach for 4 years, Head Wrestling Coach for 6 years and the boys Tennis Coach for 24 years. As the wrestling coach he had 2 individual District Champions, 1 Regional Champion and a 3rd place winner in the State Tournament. The

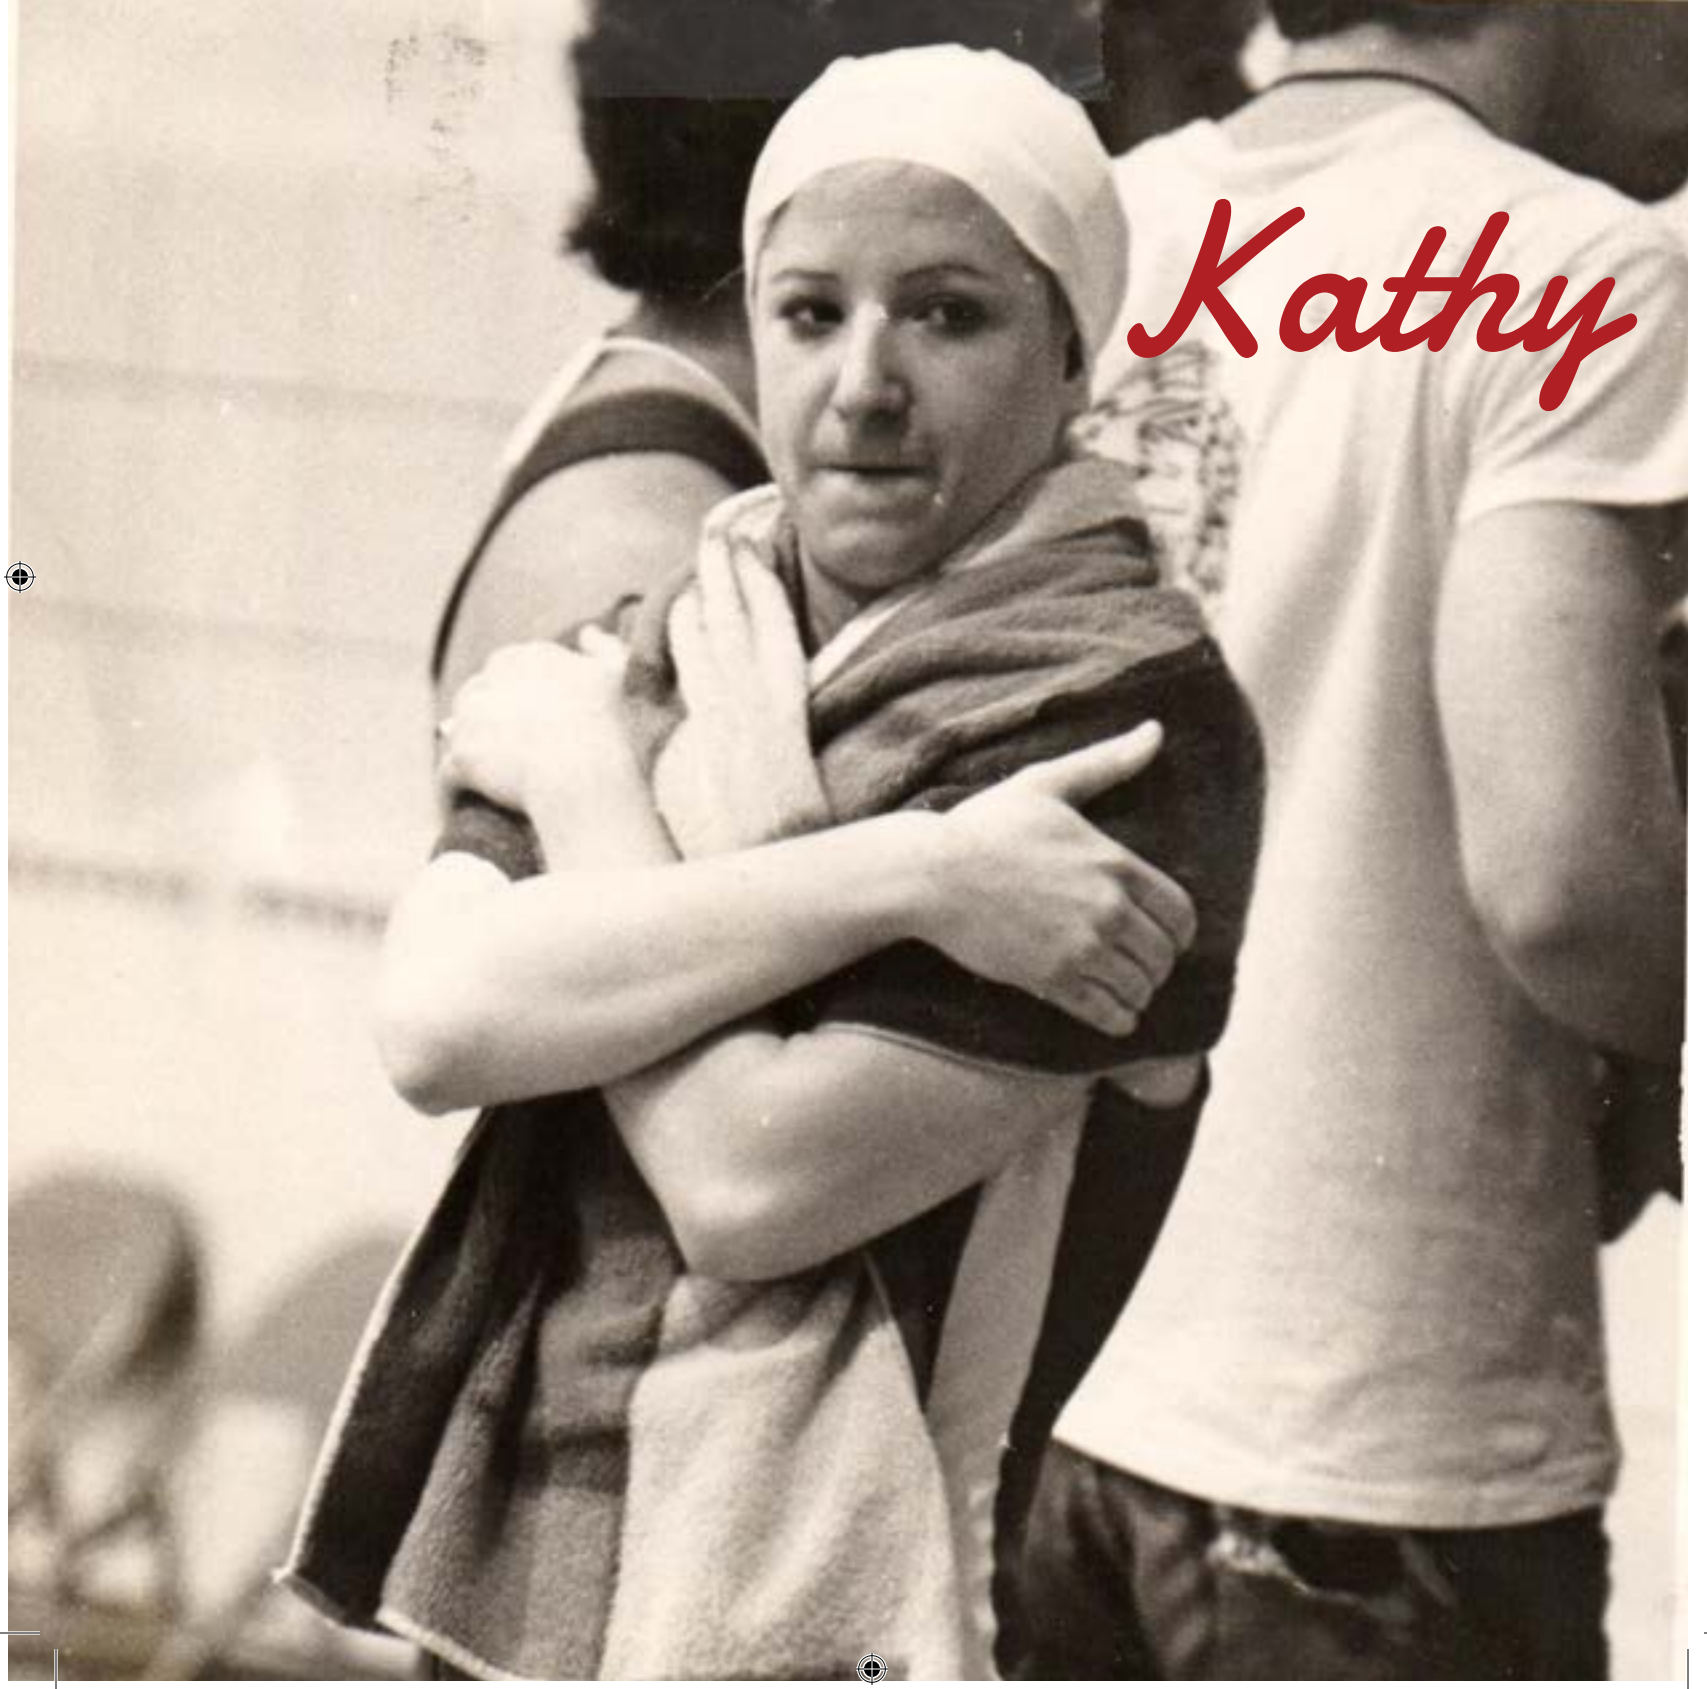

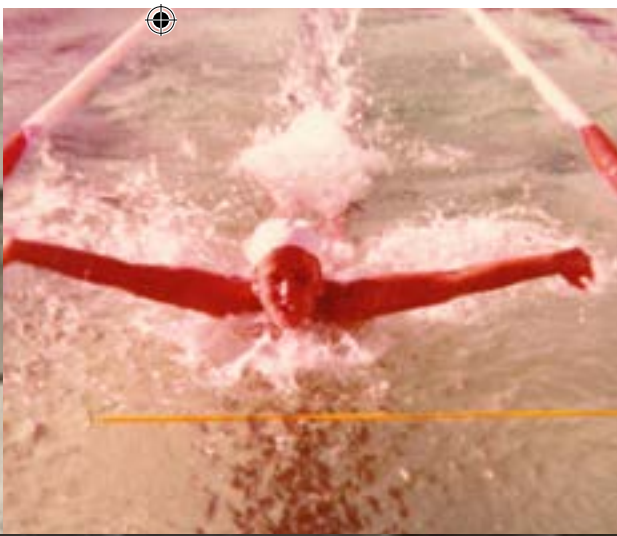

1995 Tennis team won the Mid Penn Division II Championship with a 14-0 record, and Harry also received the "Coach of the Year" honors from the Old Timers Sports Association. He has had several of his singles players and doubles players as qualifiers for the District 3 tournament.

Mr. J's "claim to fame" as a Red Land faculty member will forever be his Donkey Basketball career. The faculty were playing against the PA State Police and with the faculty desperately needing a score, Harry received the perfect pass and made a beautiful NOTHING BUT NET SCORE. Unfortunately it was at the State Police basket. An event that he will never live down.

Harry's years at Red Land will always be cherished. His years with the students were very rewarding and the support from the parents of those students was much appreciated. He taught with a great staff and built many wonderful memories and friendships during those years. Harry would like to thank his "partner in crime" and team teacher, Iris Cekovich for the many years of teaching side by side and putting up with him for all of those years.

Since retirement from Red Land in 2002 Harry resides in New Cumberland where he enjoys going to the gym, golfing, hunting and fishing and most of all spending time with his grandchildren and family. He would also like to especially thank his 3 daughters Seanne, Kerre and Jara for putting up with his crazy schedule as a teacher and coach during their high school years. His most precious blessing are his daughters and their wonderful families. Thank you for this honor.

McCauslin-Cadieux

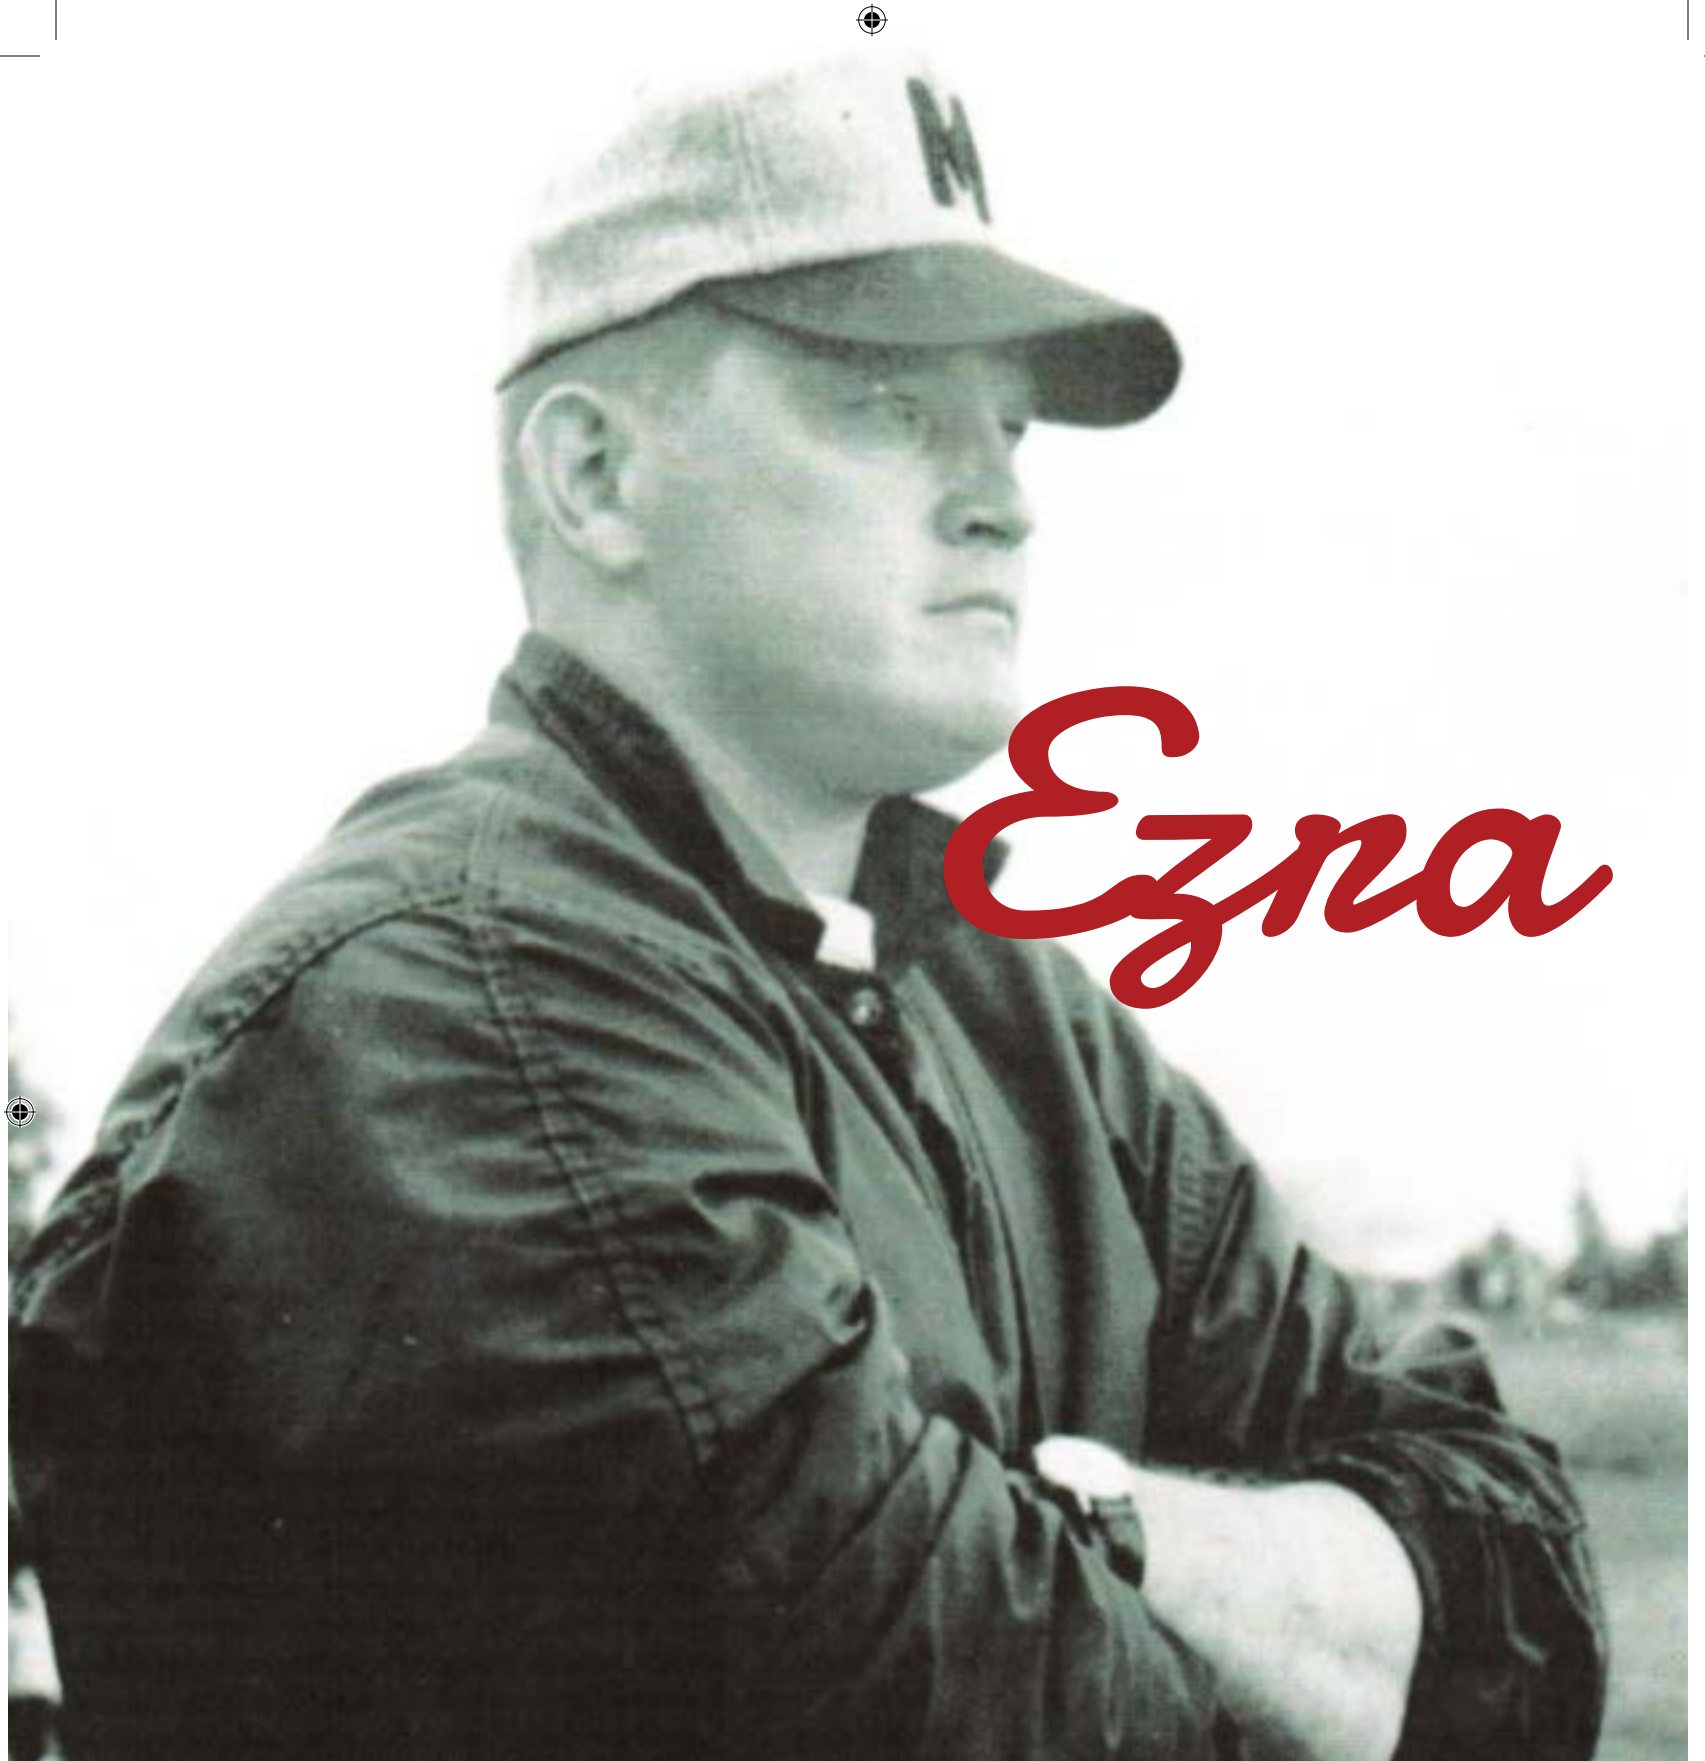

Kathy McCauslin-Cadieux was born and raised in Camp Hill, PA. She started her swimming career at age 7 when she completed the week long Learn to Swim program in one hour and was recruited by the Camp Hill Swim Team. The commitment to swim all year round was one that Kathy and her family embraced in 1962 under the coaching of Rusty Owens in Hershey. By age 8, Kathy broke her first national record and was ranked #1 in the nation for the 50 & 100 backstroke. She maintained her #1 ranking throughout her 10 & under and 12 & under years.

Under the coaching of Carl Robbie, the 1968 Olympic Champion in the 100 & 200M butterfly, Kathy qualified and swam at the AAU Nationals in 3 events when she was 13 & 14. Kathy swam at the national level until she was 15 at which time she decided to only swim for the Camp Hill High School swim team. From 1969-1973 Kathy never lost a dual high school race in any of the 85 races she competed in. 1973 was the first year swimming was included in the PIAA State competition. Kathy was 2nd in the 100 backstroke, 2nd in the 200 Individual Medley and 4th in the Medley Relay in the PIAA States.

Following high school, Kathy was recruited by Clarion University where she held 17 of the 21 team records. Kathy was a 4 time NCAA qualifier and ended her freshman year as a

2 time All American in the 100 Butterfly and the 200 Individual Medley. Kathy transferred to the University of Miami for a higher level of training. At UM the Women's Swimming Team won the NCAA National Championship that year. Kathy was also a 5 time NCAA qualifier, 3 time All American, NCAA champion and National record holder in the 200 Medley Relay. Kathy transferred to James Madison University after making the decision to invest more time into her studies than sport, Kathy transferred to James Madison University. Kathy finished her swimming career as the captain of the team, held 8 team records during her stay there and was a 3 time NCAA qualifier for her junior and then again her senior year at JMU. Kathy is a 1977 graduate of JMU with a BS in Education.

Kathy's passion for swimming had her coaching the Camp Hill summer swim team from age 12-18 and she remained a coach in the sport until she was 40. She is the proud daughter of Don and Thelma McCauslin, sister to Tee and Mark McCauslin, mother of 2 children, Brooke and Michael and a very proud "Gma" to 4 beautiful grandbabies. Kathy is the owner of Creative Elegance Boutique on Market Street in Camp Hill and is currently celebrating its 30 year in business. "It's been an amazing journey", says McCauslin, thank you for this opportunity to look back at my career and truly appreciate it.

Ez began his athletic career playing Little League Baseball while growing up in Glen Iron, PA. During the 1952 season, he pitched the West Union All-Stars to a 3-1, 2 hitter win over Newberry, PA. This crucial game was played in the old Little League Stadium in Williamsport. If his team would have won the next two games, they would have represented Pennsylvania in the Little League World Series.

A 1957 graduate from Mifflinburg Area High School, Ez was a three sport athlete playing football, basketball and baseball. He was a three year starter and all-star in all three sports. The basketball team won the League Championship in 1957, while the baseball team won league championships in 1956 and 1957. The 1957 baseball team was also undefeated.

During Ez's high school career he played baseball for the New Berlin Legion Team. His team won the league championships in 1956 and 1957 and represented the area in the American Legion State Tournament.

Ez also played for the Mifflinburg Town Team from 1955-1959 and was a part of their numerous championships. During the 1959 season, he got a hit in 16 straight at bats.

After high school, Ez attended Lock Haven State Teachers College and lettered in basketball and baseball. During his junior and senior year of high school and freshman and sophomore year of college, three scouts from the Pittsburgh Pirates, Cleveland Indians, and Washington Senators were scouting him. In the summer of 1959 while playing for the Mifflinburg Town Team, he signed a Professional Baseball contract with the Washington Senators and played in their farm system for two years. Signing the contract ended his college career in all athletics.

Ez graduated in January 1962 with a B.S. Degree in Health and Physical Education and a minor in Driver Education. He continued his education at Temple University receiving a M.S. Degree in Education and then receiving his Principal Certification from Western Maryland College.

A 35 year career in education as a teacher, coach and administrator began in January 1962 with the Harrisburg School District. He started teaching elementary physical education and then became a physical education teacher at Camp Curtin Junior High School. In 1964-65 he coached the 9th Grade Basketball Team under William Penn High School head coach Roger Goodling. He left the Harrisburg School District in 1965 and signed a teaching contract with the Mechanicsburg Area School District as a teacher and coach. While at Mechanicsburg, Ez taught health and physical education, was the athletic trainer, head baseball coach, assistant coach in football and basketball,

Scott Houser, West Chester University – Pittsburgh Pirates

Retirement did not end Ez's coaching career at Mechanicsburg. He assisted Legendary High School Baseball Coach Don Shirley and is currently assisting Head Coach Clay McAllister. During his time as a Volunteer Assistant Baseball Coach, the Wildcats have won the following:

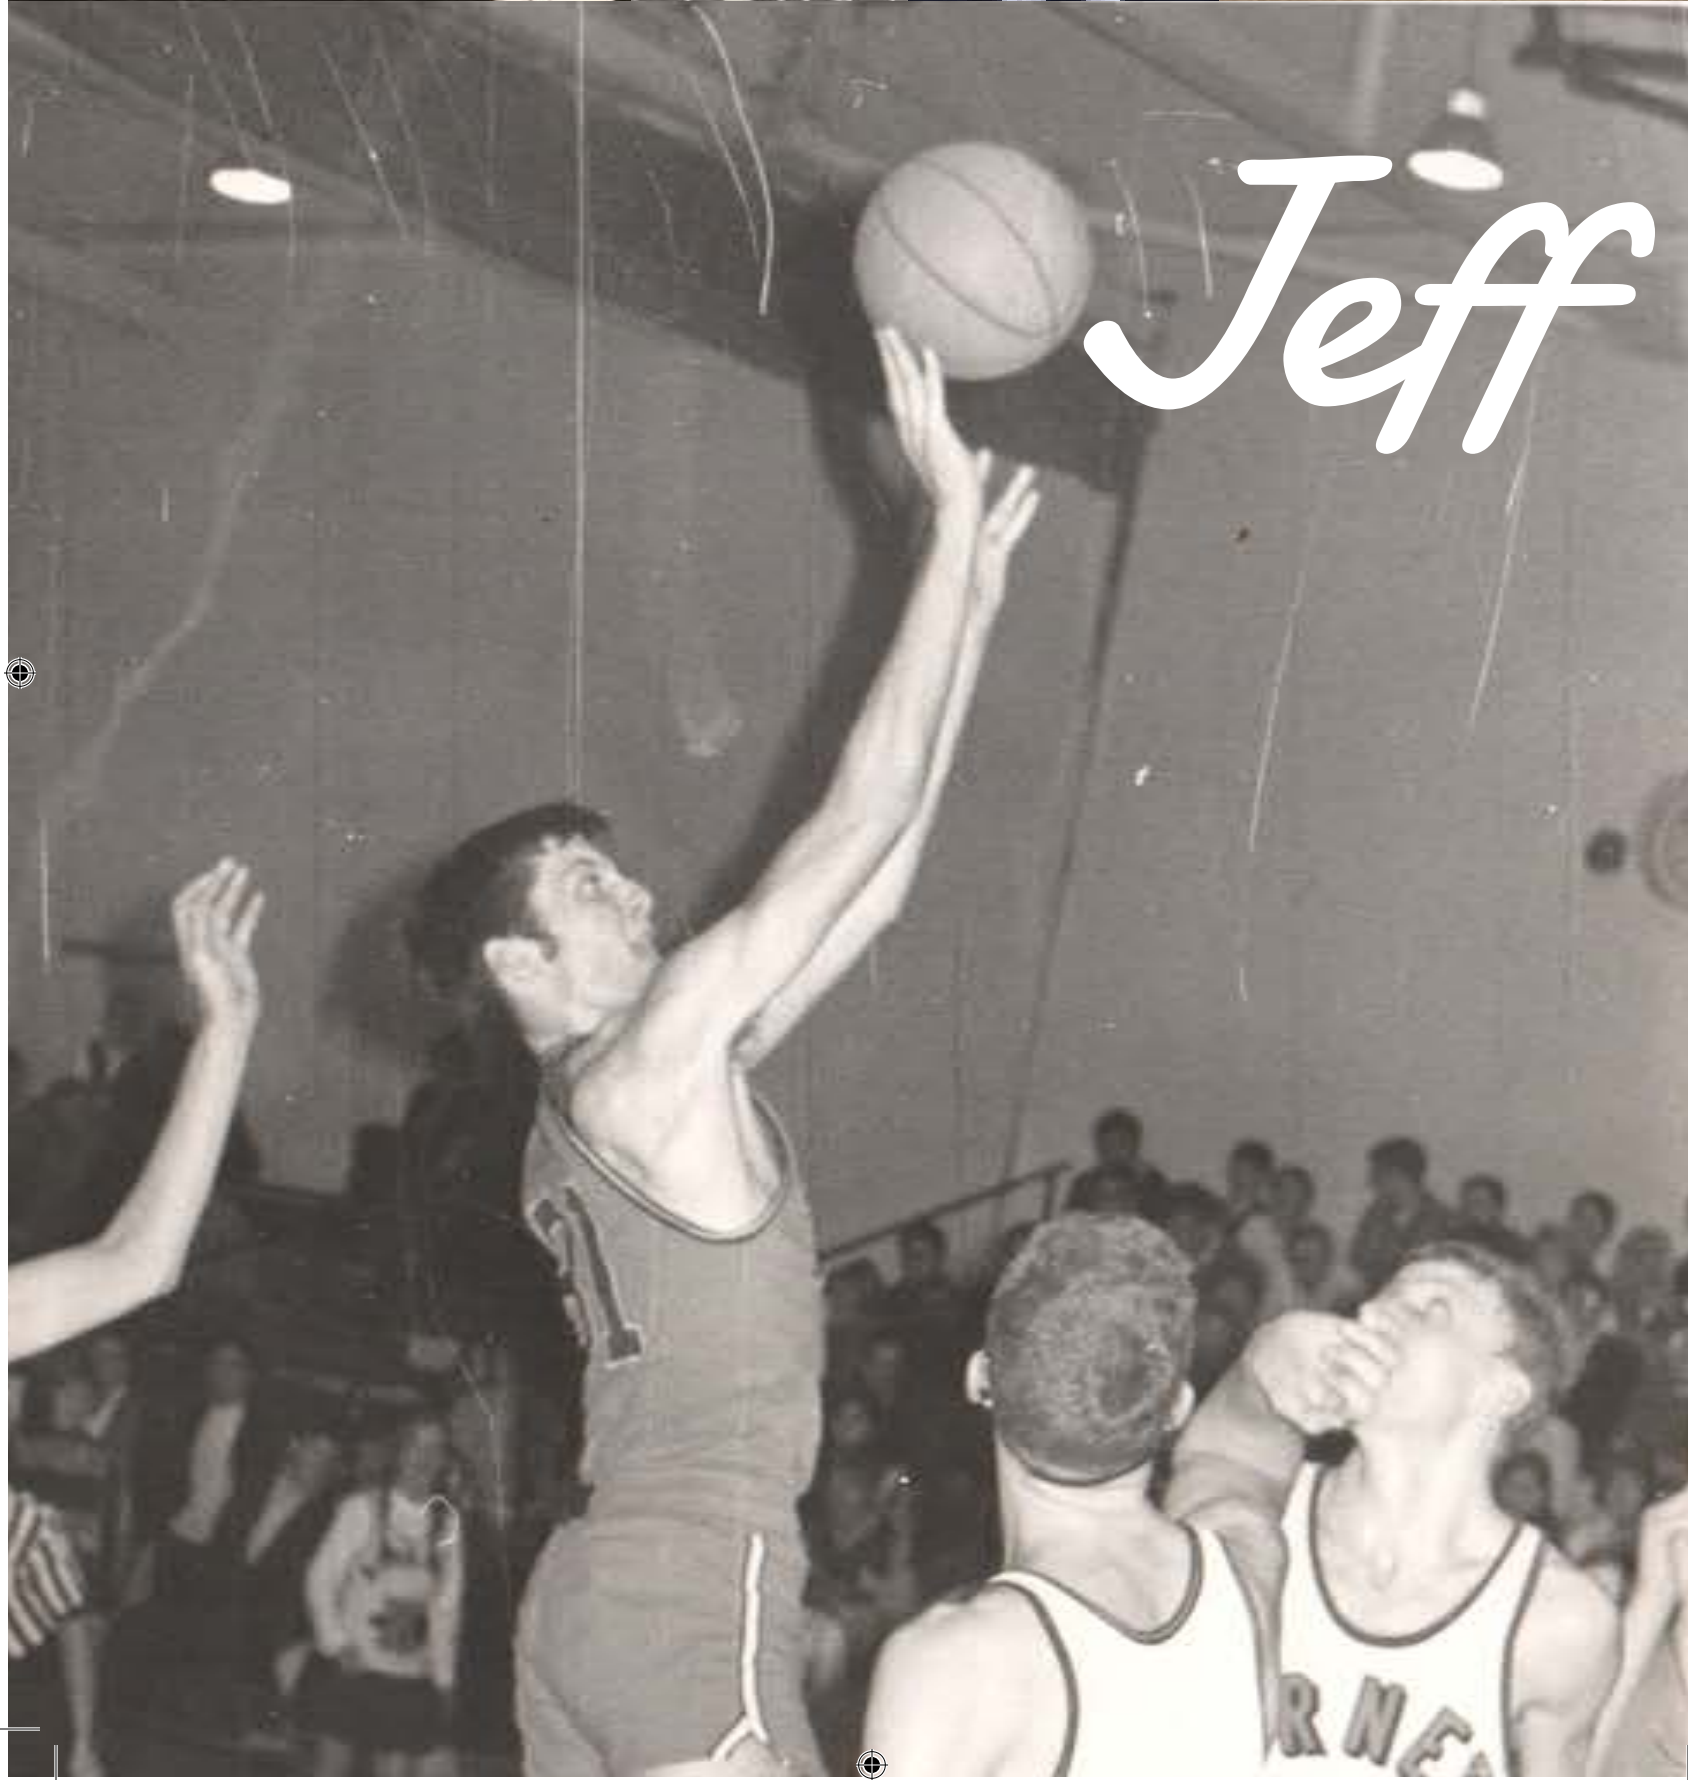

- 2009 Mid Penn Keystone Division Champions
- 2011 District III AAA Baseball Champions
- 2015 Mid Penn Conference Tournament Champions
- 2015 Mid Penn Keystone Division Champions

Ez lives in Mechanicsburg with his wife Andi and they have four daughters; Mitzi Imbo, deceased, Sherri Houck, Lori Flagg and Kristi Sassaman. They also have five grandchildren; Carly Flagg, Shelby Houck, Andrew Imbo, Mark Imbo, Amber McAlwee and two great grandchildren; Braden and Brooklyn McAlwee.

This man has touched the lives of so many young people as a teacher, coach, administrator and athletic trainer. He still enjoys working with young people and continues to impact the lives of so many athletes and coaches while attending many high school athletic events and helping with the Wildcat Baseball Team.

Ez wants to thank everyone on the committee for this honor. A "BIG" thank you to his family, friends, super players and great coaches he has worked for and with over the years. Congratulations to all the inductees. It is an honor to be part of this group.

He would like to give a special 'shout out' to three great coaches and friends: Rich Lichtel, Steve Sauve and Don Shirley who he was very privileged and proud to have coached with over the years. These young men left us way too early in life. God Bless them!

Jeff

Thompson

Born in Camden, New Jersey, I grew up in Chagrin Falls, Ohio, and was captain of Glenn Wyville's first championship basketball team at Chagrin Falls High School. I played baseball and basketball at Chagrin, was President of the Varsity club and a National Honor Society member. I was recently enshrined into the Chagrin Falls High School Athletic Hall of Fame.

I played baseball and basketball at Dickinson College, under Bill Rickenbach, a West Shore chapter Pennsylvania Hall of Famer, among others, in baseball and Dave Watkins in basketball, and earned honorable mention in the old Middle Atlantic Conference in both sports. In basketball, I was the MVP of the SunCoast Classic in St. Petersburg, Fla., in 1972, scoring 28 points and pulling down 22 rebounds in the finals against Brandeis U. I was awarded the McAndrews Trophy in 1972 as the outstanding Dickinson athlete. The only Dickinson College basketball player to have 300 points and 300 rebounds in two seasons, I still own the college's single season rebounding record and am the last player at Dickinson to average a career double/double.

Dickinson beat Bucknell University in Lewisburg in OT our junior year. That win was the last time Dickinson beat a major college squad in basketball. It also cost the Bucknell head coach his position. Bucknell named Jim Valvano as their new coach. We faced his squad in our last home game our senior year. Earlier that month, John Thompson, Jr., brought his Georgetown University team to Carlisle to help celebrate the 200th anniversary of the founding of Dickinson College. In front of over 2,000 fans packed into Alumni gym, a baseline 10 foot jumper with five seconds left erased what was once a ten point Dickinson lead, as Georgetown escaped with a 66-65 victory, and according to John Thompson himself, probably saved his job.

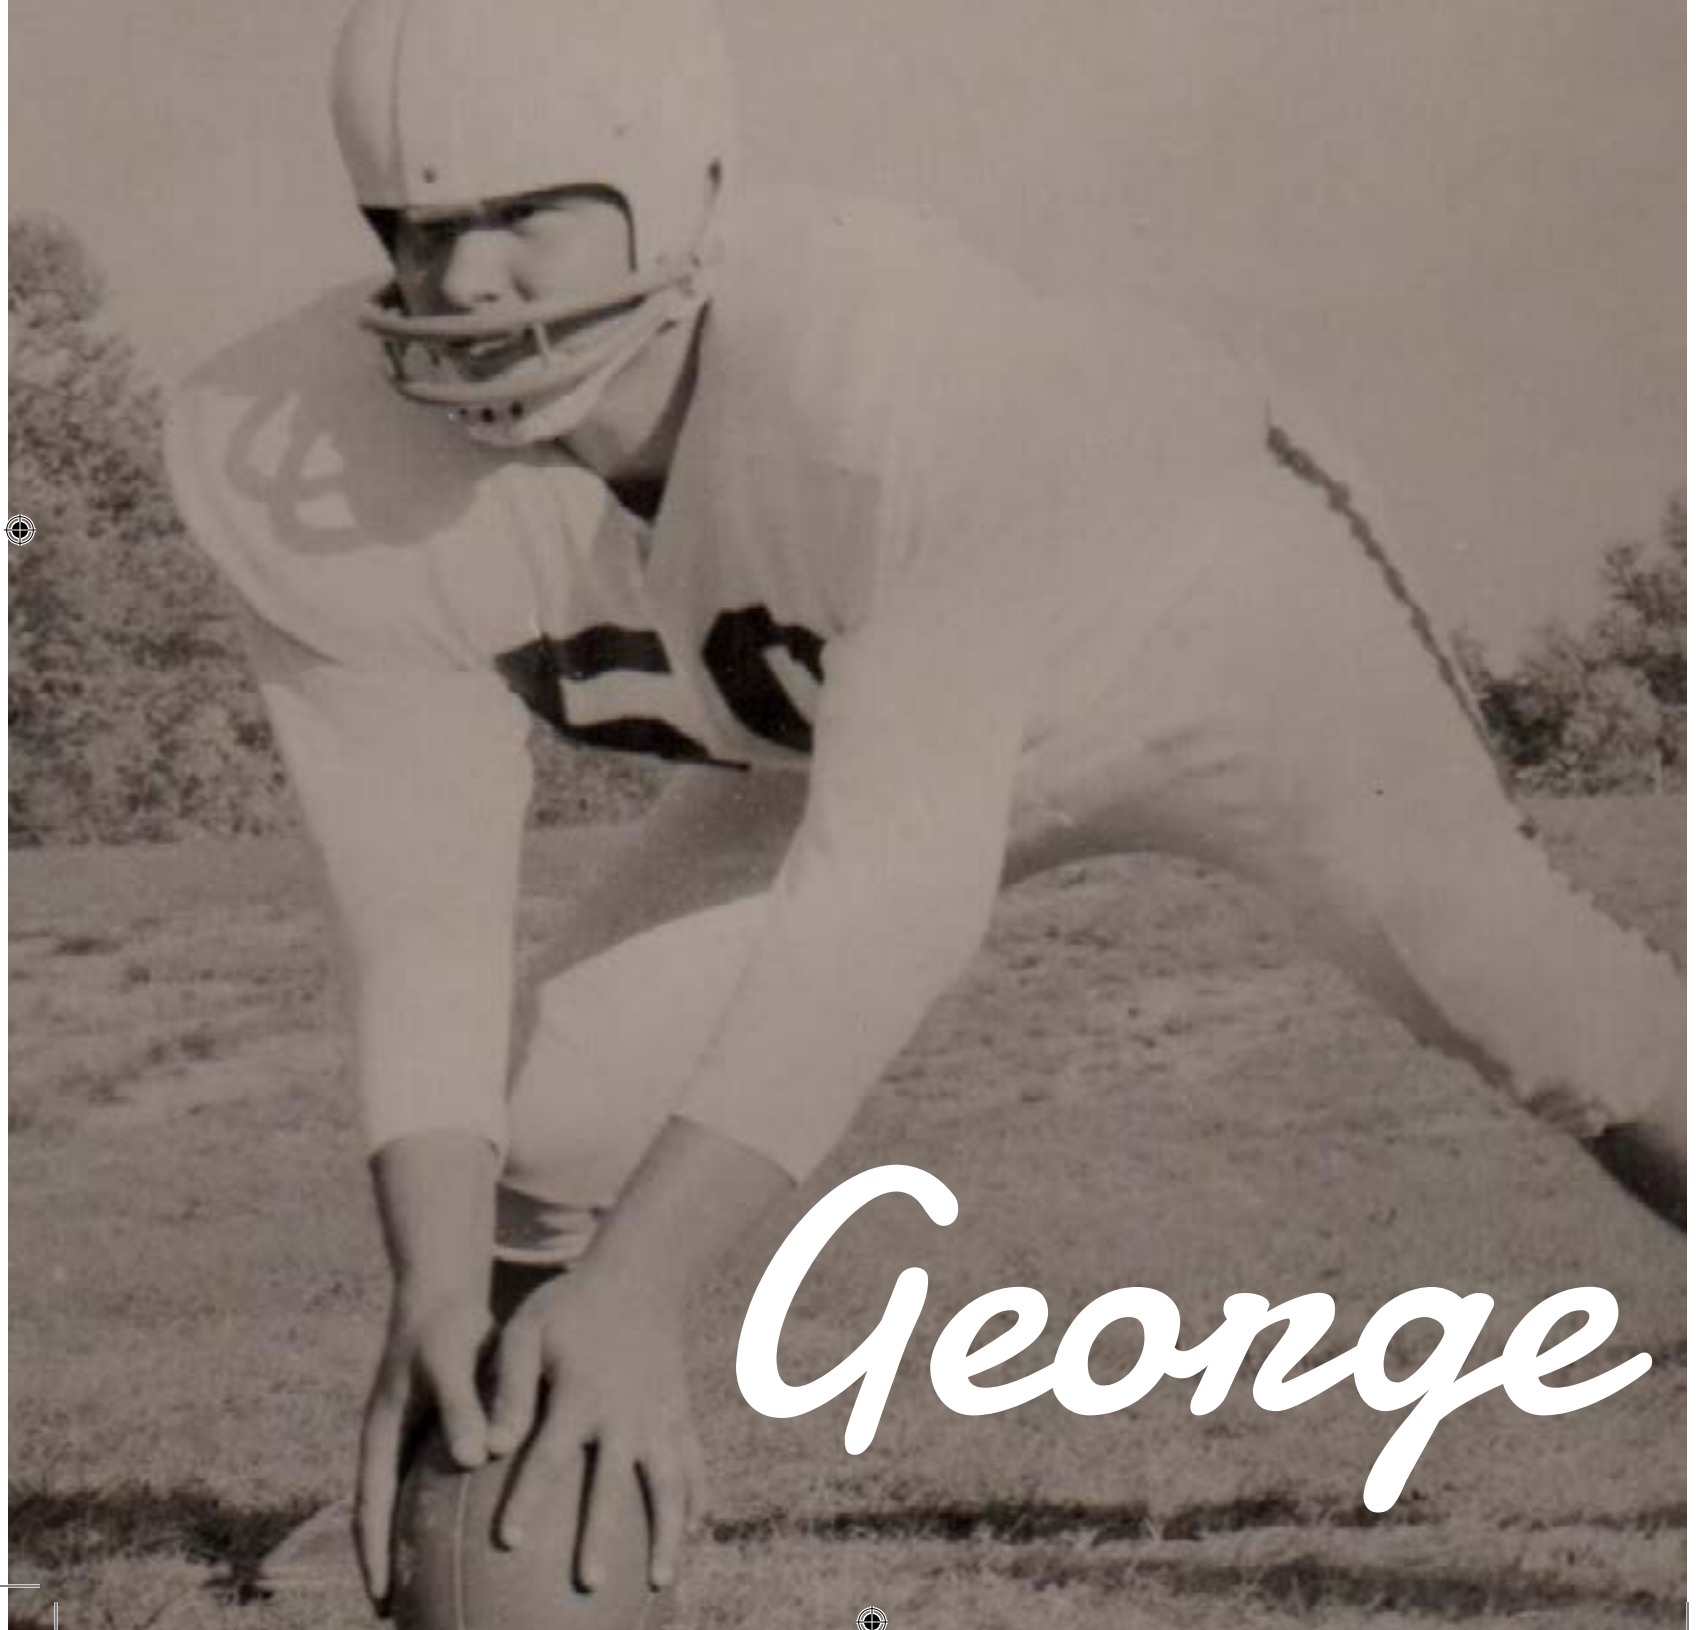

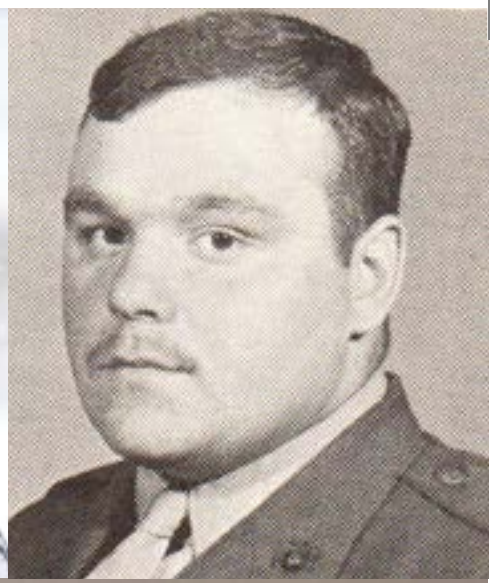

I was tapped into the Raven's Claw Society, a tradition for seven senior men at Dickinson College since 1896. I coached as an assistant at Dickinson for two years, before moving on to become an assistant for Rodger Goodling at Shippensburg. I served as a

JV coach at Cedar Cliff and Trinity, and then a 9th grade coach at Cedar Cliff. My first head coaching position was with the Trinity High School girls. In my second year coaching at Trinity we were the Mid Penn II champions and won the school's first ever state game. We continued with a most improbable run to the PIAA championship game, finishing as Eastern champs. The following year, with a young group, we again won the district title as well as earning a trip to the Eastern finals in a higher classification.

When I left to coach the Varsity Boys at Mechanicsburg, my assistant coach at Trinity, Harry DeFrank, a Pennsylvania Hall of Fame inductee nominated from the West Shore Chapter, carried on the Lady Shamrock tradition, winning the state title with that nucleus.

Mechanicsburg hadn't had a winning season in twenty three years when I took over in 1984-85. Blessed with talented athletes during my seven years tenure, we won one hundred games, two Mid Penn titles and were the first team to qualify and move up a division in the Mid Penn league. After Mechanicsburg, I enjoyed a sixteen year stint as coach of the Blackhawks of Susquenita, fueled by athletic, committed and competitive athletes. We won the first conference championship in Susquenita boys' basketball history during that run. I was an assistant at Central Dauphin for a year and took over as head coach at Upper Dauphin for two years, ending with 412 victories as a head coach at the high school level. For the last five years, I've been the 9th grade boys coach at CV. Throughout my coaching tenure, I've been a school counselor, serving the West Shore, Susquenita and Cumberland Valley schools.

I'd like to sincerely thank the coaches I have played for and worked with over the years, my teammates at all levels and the many student-athletes whom I've coached. I have the deepest appreciation for and owe a debt of gratitude to my wife, Cindy, and the family we raised on the West Shore: Christy, Whitney, Stephen, Karen, and Julianne.

About Us

The Pennsylvania Sports Hall of Fame was chartered in 1962. It is the only community based Hall of Fame in the Country and its present twenty-nine Chartered Chapters serve more than 300 communities throughout the state of Pennsylvania. Each year the Pennsylvania Sports Hall of Fame inducts area greats of yesteryear and endeavors to include athletes, administrators, coaches, and those involved in sports medicine and the sports media. The Pennsylvania Sports Hall of Fame also honors the scholastic, collegiate, community service and courageous athlete awards within those communities. From a group of more than 250 inductees and honorees each year, the Pennsylvania Sports Hall of Fame concludes its calendar year with its annual business session and showcase. This Convention and Induction ceremonial seats ten living and two deceased inductees on its Dais of Honor who are presented with a Gold Inductee medallion with pendant after a rigorous screening and selection process from a highly disciplined governing structure. The ceremonial is hosted on a rotating calendar among the chapters of its Western, Eastern, Northern and Central Regions.
