Good Evening,

The West Shore Chapter of the Pennsylvania Sports Hall of Fame welcomes our 2015 Inductees, their families and friends to the 31st Annual Induction Banquet.

Our primary purpose is to recognize individuals of "Yesterday, Today and Tomorrow" who have brought lasting fame to the Keystone State. This has been done through their athletic achievements, as a participant, coach, official or associate.

This evening we are pleased to honor nine individuals that have been a tribute to themselves, their families and their communities. They have distinguished themselves as leaders and winners on and off the field of athletics. These athletes and coaches have accomplished Olympic, All-American and/or professional status, as well as created some of the states finest athletes and teams.

The West Shore Chapter points with pride that we recognize State Champion Individuals and Teams in our 12 Area High Schools. In addition, we will award several scholarships to deserving Senior athletes at our "Recognition Banquet" in July.

Our Chapter membership is open to all sports minded people. We urge you to continue your support through membership and attending our key events: The "Induction Dinner" and the "Recognition Dinner".

We thank you for your continued support and encourage you to become an active part of this Pennsylvania Sports Hall of Fame. Membership is open to all.

Yours in Athletics,
Jim Sauvé

WEST SHORE CHAPTER PENNSYLVANIA SPORTS HALL OF FAME

Our Primary Purpose

Twenty-Nine chapters across the Commonwealth of Pennsylvania recognize athletic exploits of men and women who rise to the "Hall of Fame" stature.

Our primary purpose is to recognize area people who have brought lasting fame to the Keystone State through their athletic achievements; as a participant, coach, official or contributor. These individuals may receive recognition after a prescribed amount of time or posthumously. This recognition takes place at the Induction Banquet in the Spring.

In addition, we honor PIAA State Champions in our 12 Local High Schools. At the Scholarship dinner in July we also award two \$1000 scholarships and four \$500 scholarships to deserving high school seniors. We invite each High School to nominate a male and female athlete for consideration for the scholarship and invite all nominees to the dinner.

"A Hall of Fame is a lot more than an overblown closet for some old relics. It is intended to be a repository for all things great about a sport...Its Moments...Its Men and Women...Its Methods! Most of all, it is supposed to be about Hall of Famers who define the quality of athletics, who lead the right kind of life, a life of integrity for which there is no compromise."

Paul

Boltz

Its diversity and our shared mission to lend to the fiber of our organization, assures the strength of the West Shore Chapter of the Pennsylvania Sports Hall of Fame.

Chapter membership is 242 and growing. Membership in the Pennsylvania Sports Hall of Fame is open to all sports-minded individuals and we urge you to join us for a nominal fee of \$20 per year. Life memberships are available for \$100. For information on joining, contact Jim Sauvé at P.O. Box 1155, Camp Hill, PA 17011 or an Executive Board Member.

Angie (Loy) Reisinger

Angie Loy Reisinger is a 2000 graduate of West Perry High School and a 2005 graduate of Old Dominion University with a B.S. degree in Health and Physical Education. Angie's family lives on a dairy farm near Louisville in western Perry County. Farm life gave Angie her work ethic and physical fitness.

At West Perry, Angie was a three-sport athlete and honor student. She played field hockey, basketball, and track - captained both field hockey and basketball her senior year. In field hockey, Angie had 65 goals and 27 assists totaling 158 points and achieving the 100 point club. She was an all-state selection, West Perry's MCP, and Sentinel's Player of the Year helping West Perry to the second round of states.

Angie also excelled in basketball being MVP and joined the 1000 point club with 1554 and Big 15 selection. She helped West Perry to the first round of states. In track, she was MCP for 300 hurdles and placed 6th in districts. As a result of her senior accomplishments, she was awarded the Carlisle Sentinel and West Perry Female Athlete of the Year.

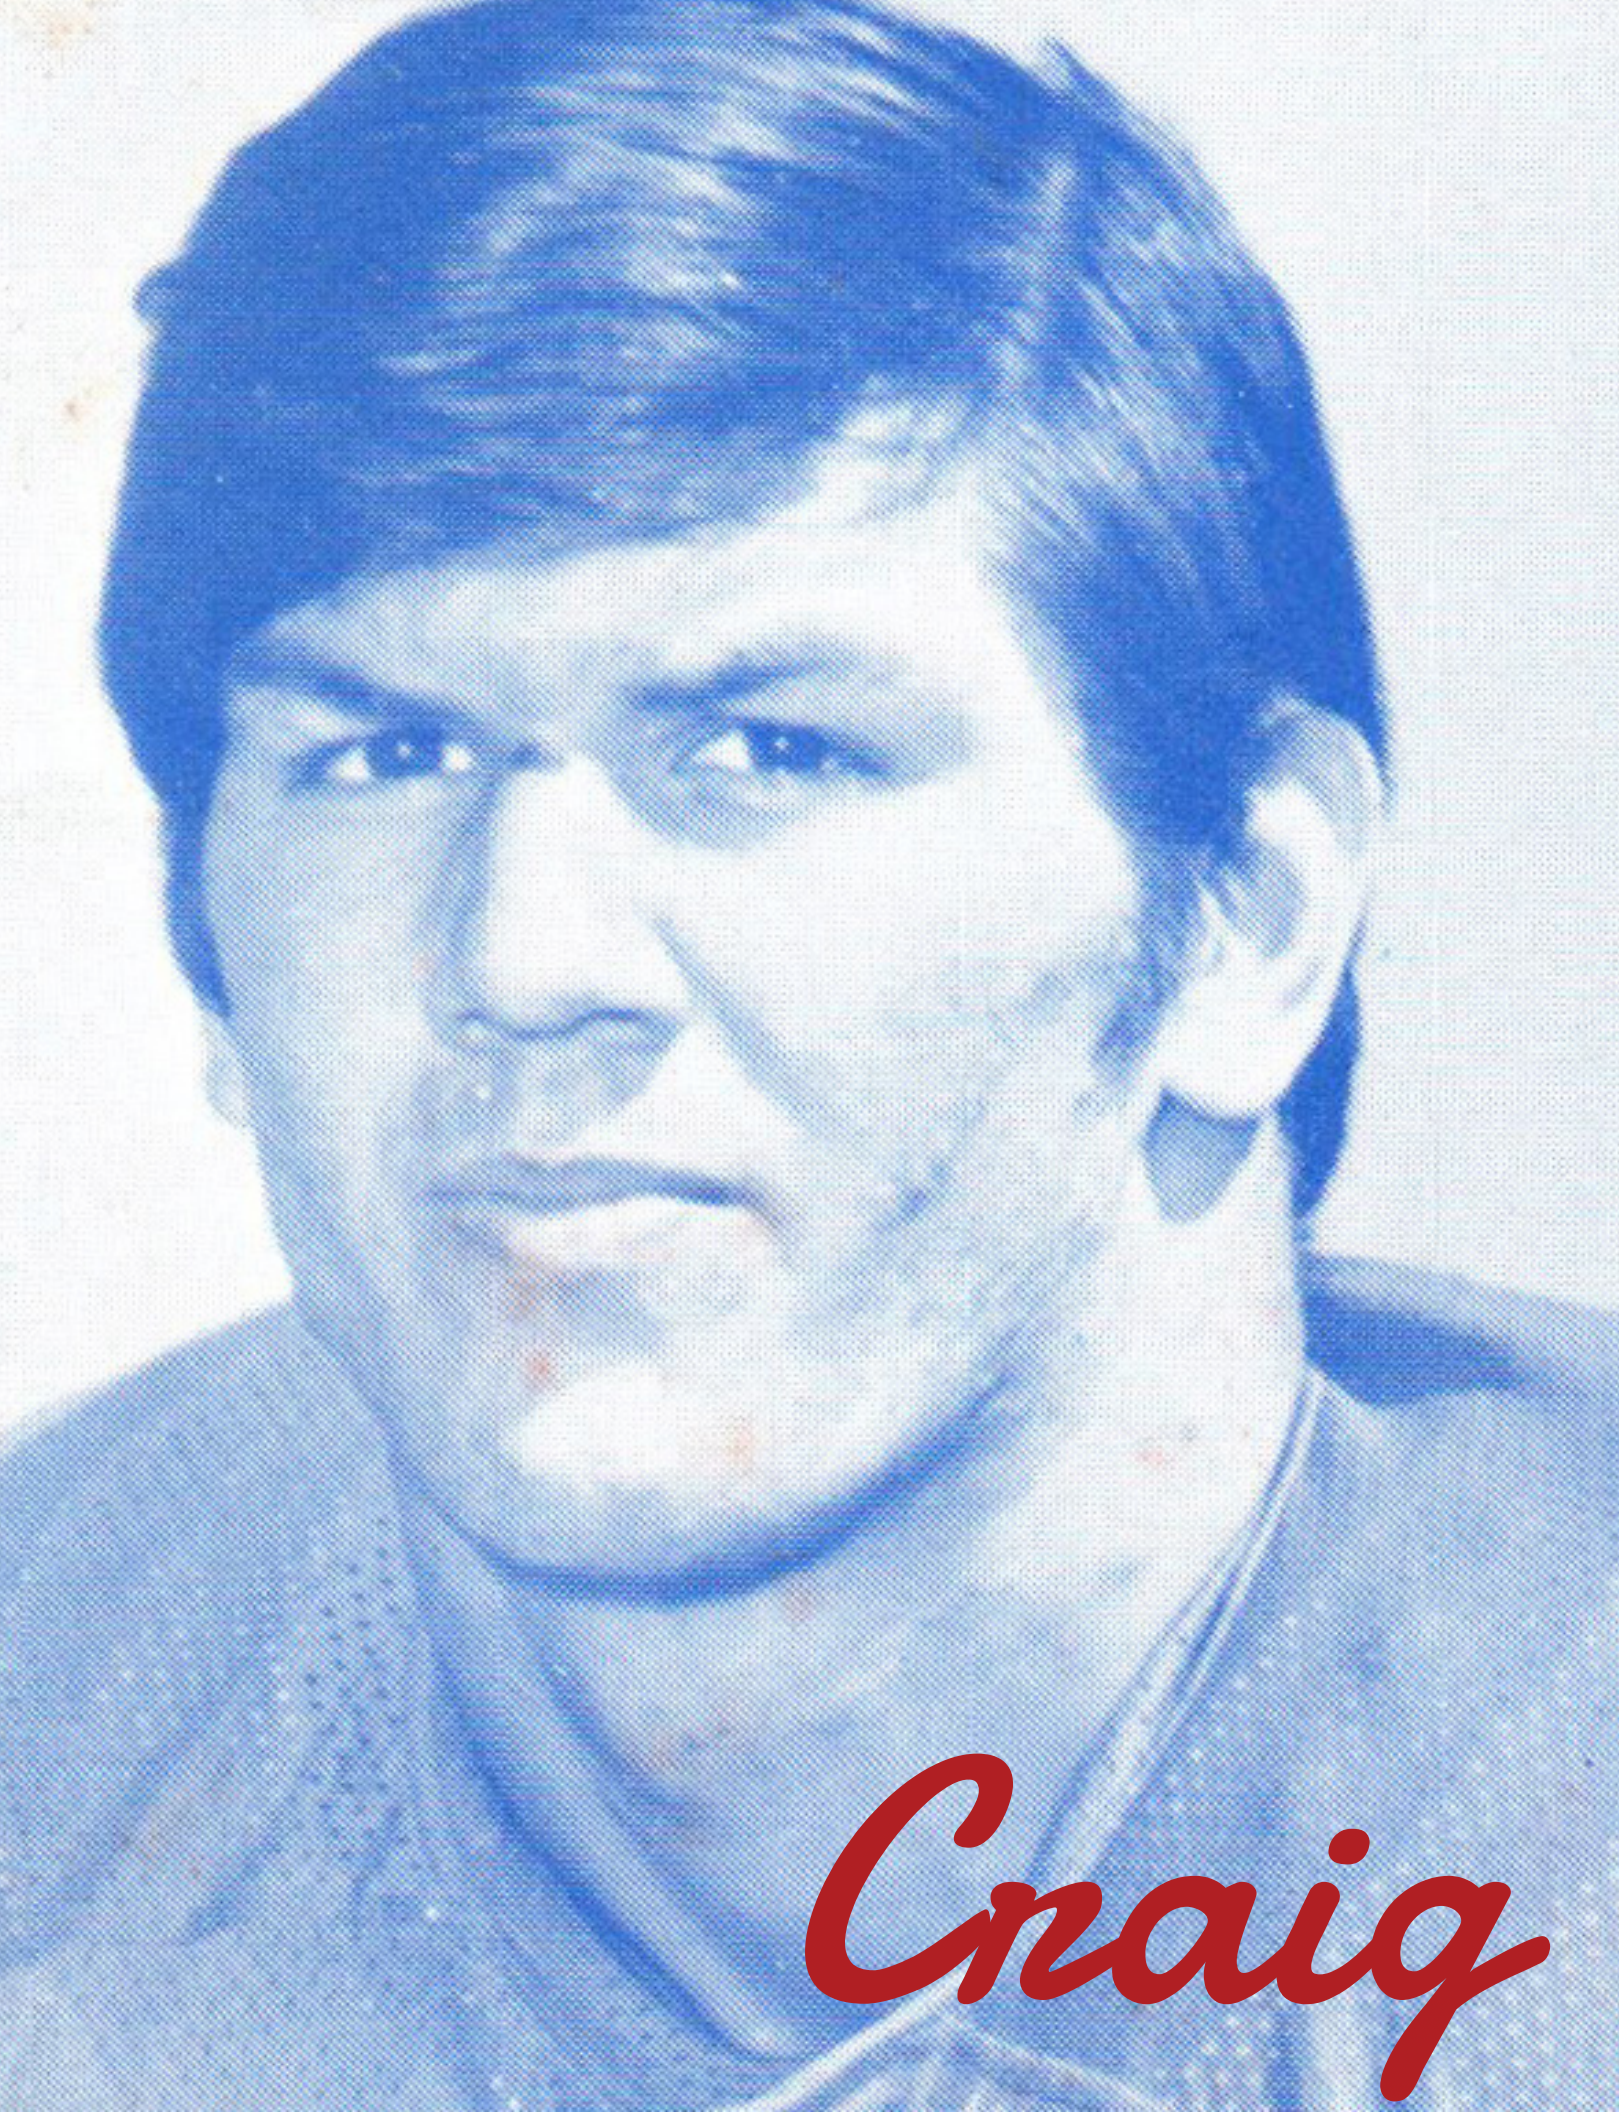

West Perry's field hockey coach, Mary Jane Moyer, was instrumental in getting the sister team of Becky and Angie to attend ODU on scholarships. ODU was a field hockey powerhouse and Coach Beth Anders was tremendous at winning by instilling the importance of basic fundamentals. After Angie's first season of scoring 18 goals, she was awarded the Colonial Athletic Association Rookie of the Year and helped ODU win the NCAA Div I National Championship for the 9th time. In her senior year, she was CAA Player of the Year, tournament MCP, 1st Team All American, 1st team All-CAA, and 1st team All South Region all for the second time as well as four time NFHCA Academic All-American. Angie ranked second in the nation points and assists

her senior year. Her totals at ODU were 77 goals and 52 assists. In 2012, she was inducted into the ODU Hall of Fame.

In December 2003, Angie was chosen for the US Field Hockey Team and missed her final semester at ODU to help the US qualify for the 2004 Olympics. The US lost to Korea-not qualifying. Angie returned to ODU and help to coach the Monarchs and later graduated in 2005 from ODU. After her 2005 graduation, Angie devoted herself full-time to the US team playing field hockey around the world. She traveled to 13 different countries. Angie's international field hockey career included 114 games and 32 goals. Angie was high scorer in the 2008 Summer Olympics in Beijing, China with 4 goals. She scored the tying goal against Argentina who was ranked 2nd in the world. The US Team entered the Olympics ranked 11th and ended in 8th place in the world.

Angie was chosen by Coach Lee Bodimeade of the US Team to be the 2007 USA Women's Field Hockey Player of the Year. Her name is engraved on a silver plate with other players of the year. Rep. Mark Keller of the State House of Representatives also presented a House citation to Angie. West Perry retired her jersey and inducted her into the 1st group for the West Perry Hall of Fame in 2009.

After the 2008 Olympics, Angie retired from the US Team. She volunteered to help coach field hockey at Shippensburg University for one year while helping on the family farm. Since Angie did not find a teaching job, she became a partner in Loy Acres dairy business, married, and now has a little girl and boy. She's very happy and proud to have had the athletic experiences and gained lifelong friendships. Angie now enjoys being on the farm nurturing a close family and teaching her children values that last a lifetime and can be learned in no other way.

Craig

Craig Roberts was born in the Western Pennsylvanian town of New Kensington in 1953. Due to his father's career in politics the family was moved to the Harrisburg area in 1956 and settled in Camp Hill. Craig began to gain an interest in sports at an early age due to his two older brothers, Laurie and Randy, who were high school standouts in athletics. It was not long before Craig entered Camp Hill High School and began to receive some recognition.

He was a three year letterman in football from 1968-1970 while playing for coaches Harry Finkelston, Ken Miller, Harold Bricker, Clyde Rohland, William Kimmich and Harold Bear. During his three years playing at CHHS the teams were a combined 27-2-1 including an undefeated 10-0 team in 1969. In his senior year, he received several honors such as All State and Big 33 nomination. Craig accepted an athletic scholarship to the University of Kentucky in 1971.

In basketball, he also lettered three years and was part of an extremely successful run under coaches Ed Nugent and Lewis Dougerty. Camp Hill was undefeated in all three years in Blue Mountain League play. Craig was a member of two Class B district championships in 1970-71. The 1971 team went all the way to the state Class B championship game before losing to Midland in Pittsburgh. Honors received for basketball included All State mention and Harrisburg area Big 15 in both 1970 and 1971. In his three years playing basketball the only losing games he playing in were in district or state tournaments, a total of three.

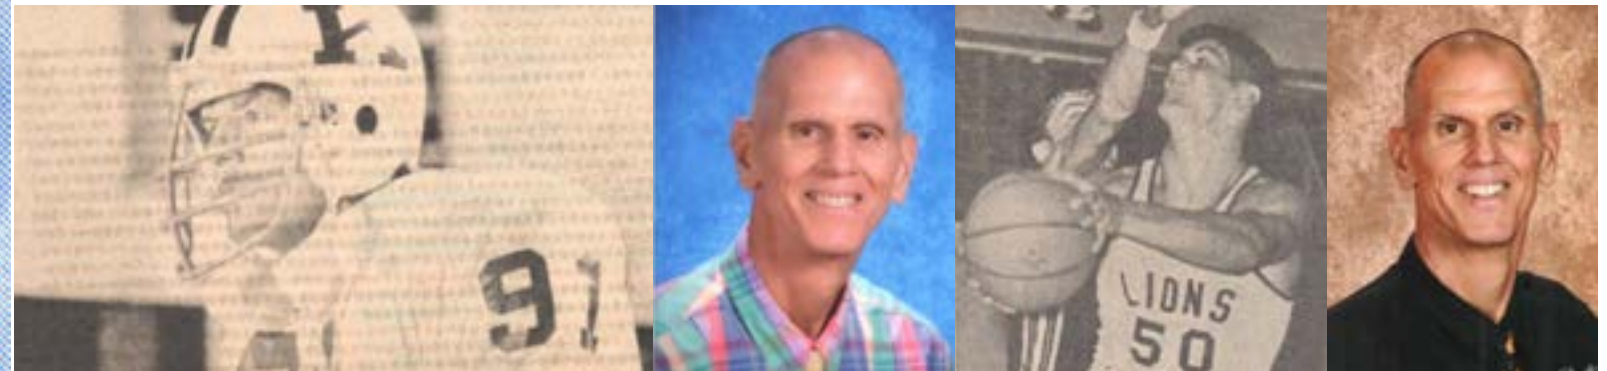

In track and field Craig threw the shot and ran the 440 yard dash and on relays. His primary coach in track was Clyde Rohland. He was the BML shot put title his junior and senior years as well as the Shippensburg Invitational his senior year. Craig finished third

the district meet with a school record throw of 52'9" that stood until 2008.

Following high school Craig was recruited as a defensive end and enrolled at the University of Kentucky. John Ray was the UK head coach at the time. Following his freshman year an injury caused Craig to give up football and he enlisted in the Army. After serving 3 years from January 1973 brought December 1975 including tours in Japan and Korea he was honorably discharged. Craig returned to UK to finish out his football career. Coaches at UK were head coach Fran Curci and position coaches Billy Mitchell and Bill Glaser. He lettered in each year from 1976-78 and was a member of the 1976 victorious Peach Bowl team as well as the 1977 #6 ranked nationally team that finished 10-1 and co SEC champions. After his senior year, Craig was chosen as a member of the All Academic SEC team as a defensive end. Academically he excelled and was graduated as a member for Phi Beta Kappa.

After five years working with the State Dept. Craig decided to move to a warmer climate and get into coaching and teaching. In the mid 1980's he received a Masters degree in kinesiology from Sam Houston State University in Huntsville, Texas. Coaching quickly lost its interest to him but he continued to teach in several schools in Huntsville and Conroe, Texas retiring last year after nearly thirty years.

Thanks go to the committee that selected him for this recognition. Knowing that someone remembers the successes of his youth makes an old man smile. Also to the coaches mentioned and teachers unmentioned that have influenced his life. Most important, however, is thanks to his family who have encouraged and supported him throughout his athletic life - brothers, Laurie and Randy, and an always devoted mother Bertha.

About Us

The Pennsylvania Sports Hall of Fame was chartered in 1962. It is the only community based Hall of Fame in the Country and its present twenty-nine Chartered Chapters serve more than 300 communities throughout the state of Pennsylvania. Each year the Pennsylvania Sports Hall of Fame inducts area greats of yesteryear and endeavors to include athletes, administrators, coaches, and those involved in sports medicine and the sports media. The Pennsylvania Sports Hall of Fame also honors the scholastic, collegiate, community service and courageous athlete awards within those communities. From a group of more than 250 inductees and honorees each year, the Pennsylvania Sports Hall of Fame concludes its calendar year with its annual business session and showcase. This Convention and Induction ceremonial seats ten living and two deceased inductees on its Dais of Honor who are presented with a Gold Inductee medallion with pendant after a rigorous screening and selection process from a highly disciplined governing structure. The ceremonial is hosted on a rotating calendar among the chapters of its Western, Eastern, Northern and Central Regions.
